**Full Sun (FS)** – 6-8 hours of direct sunlight.

**Part Sun (PS) or Part Shade (PSH)** – These are generally used interchangeably to mean 3-6 hours of sun each day. Morning or early afternoon is desirable. Mid to late afternoon sun is too intense and

**Part Sun (PS)** – A greater emphasis is put on its receiving the minimal sun requirements.

**Part Shade (PSH)** – Should not be planted where they will get the burning late afternoon sun. Plant where it will get shaded from a tree or plant on the east side of a building.

**Full Shade (SH)** – Less than 3 hours of direct sunlight each day, with filtered sunlight during the rest of the day. *Full shade does not mean "no sunlight."* There are very few plants that will grow in the
